

Economic Cycles

Economic Clock

The Economic Clock has been used to describe economic cycles since first being published in 1937 by London's Evening Standard.

To get specific advice on how the current conditions are affecting the local market, contact **Jeremy Rutledge** on **0418 799 455**.

Investment advice given in this publication is general investment advice only. It does not take into account your investment objectives, financial situation and particular needs. You should assess whether this advice is appropriate to your individual investment objectives, financial situation and particular needs before making an investment decision on the basis of the general advice. You should either assess the advice yourself or seek the help of an advisor.
